Daviid brings a wide palette of experience into the Bromma leadership team, most recently from his position as Chief Commercial Officer of PNG Ports Corporation in Papua New Guinea and prior to that, positions at PORTEK and MacGregor.

Daviid will be based in the Bromma Headoffice in Singapore and report to me, Peter Cederholm. His first day in Bromma will be on May 15.

I would like to welcome Daviid to the Bromma team and wish him the best of success in his new role.
